New York's Preparations to Do She Finally Resigns All to Dr. Preparing for a Magnificent She Trots a Mile in 2.04 on Church Question Did Not Figure Brooklyn Men Get a Warrant for Honor to Columbus.

ing Magnincence.

In a little more than a week New York will will be only one Columbus Day—a holiday in fact and name, when imposing pageants, orator, festival and pyrotechnics will commem.

The petition, however, was field by Mrs.

Harriet G. Stillman, the willow, who asked

tion by all New York and half a million pointed administrator, ors. The festival will last for nearly a Miss Schaus did not oppose Mrs. Stillman's week. The streets will be lined with mags application, and the reason stated was that pravery and love of science which led an tlement. leading of Columbus and illustrate the sideration she assigned and transferred to progress of the country since he first stepped the legal heirs all the rights and interests she acquired under the will.

services will be held in the synagogues. On story of passion and pain, involving a tale of the following day, Sunday, there will be re- love, secrety, separation, tears and final des-

. M., and each one in line will carry a nal flag.

Tuesday will be naval parade day, and the poctacle will be one imposing in its magnifispec. About fifty Government warships. ers, revenue cutters and lighthouseders will be in line, each bedecked with the National colors. At least one hundred els of the merchant marine, steamers of the Fire, Police and Dock departments, and several foreign men-of-war, will follow. The accompanied by innumerable steam yachts and other craft of seeming inance, but still of more value and just as seaworthy as the Santa Maria and her combanions.

As the fleet passes up the lower bay it will receive a salute iron Governor's 1-land. The line will then steam up North filver. Commodore Kane will be in command.

independent order of Red Men, comprising 5,000 men, marching in Indulan costume. The cheirs will ride on horseback. Plenty of opportunity to view the parades will be afforede citizens and strangers. There will be fifteen official stands erected along the lines of march, four of which will be firee. Various prices will be charged for ree. Various prices will be charged for seats in the other stands, according to the parade and location of the stands. The "free sands, with their names and respective seating capacity, are:

The Mayor's stand, at the City Hall, 7,500: the Mayor's stand, at Union Square, 2,000, the Worth Monument stand, at Union Square, 2,000 the Worth Monument stand, for distinguished The "pay" stands are eleven in number. Their location, name, capacity and the price of reserved seats are as follows:

The Washington Park stand, at Washington place, 2,800, \$1.50; the University Aristand, facing the University of Washington place, 2,800, \$1.50; the Lafayette Monument stand, Union Square, seast side, 400, \$1.50; the Cottage stand, Valion Square stand, Fourth venue side, 4,000, \$1; the Cottage stand, at Majorn Square, iron her President's stand, Madison Square, iron her president's stand, Fourth venue, seet, the R servoir square, stand, Fourth venue, between Fortieth and Forty-second three stands of the Brooklyn bridge and several parks and public square, 1,500, 50 contast.

Boomers Fire the Prairies to Hurry
Out the Cattle.

Precisely the same action was taken by the seen upon the cherokee Strip hast night.

The boomers became enraged at the slowness with which cattle were being remived from the coveted land and fired the grass. As it stry, it burns with great rapidity.

There is no chance to check the fire, and it is thought many cattle will perish.

Killed While Inspecting a Mine.

Isy associater prairs.]

Walsenergo, Col., Sept. 29.—Supt. D. E. Mulr and Wm. M. Holt, a miner, were examining the Walsen Coal Mine; pesterday, and upon entering an usused room, their lights ignited gas which had accumulated and an awful explosion followed, killing both men instantly.

Cherokee Strip hast night.

The defendant produced cipher telegrams which was chapted that it was a physical improved the statement that John bearing a regulation slouch is a verdict of "Not guilty."

It is understood that efforts were to be such as the track and upon entering an usused room, their lights ignited gas which had accumulated and an awful explosion followed, killing both men instantly.

Cherokee Strip hast night.

The defendant produced that it was a physical improved the telegrams hoperator called out, "They're off" They're were soon arriving, afoot, on mules and steers, and one old fellow came to fir "and declared that it was a physical improved the telegrams of the clearant produced cipher telegrams which produced cipher telegrams which great rapidity.

There is no chance to check the fire, and it is thought many cattle will perish.

The defendant produced cipher telegrams which had a verdict of "Not guilty."

The defendant produced cipher telegrams which had a verdict of "Not guilty."

It is understood that efforts were to be such as a verdict of "Not guilty."

It is understood that efforts were to be such as a verdict of "Not guilty."

Please contradict the statement that John bonnelly, who tell from the roof of 783 See.

Trying an Experiment A prominent Harlem journalist recently

"Don't you know," was the reply, "that is Collector Hendricks to-day appointed

Patrick J. Leany clerk at \$1,000 a year, and reinstated Michael J. Butler as amistant weigher at \$4 a day.

"Don't you know," was the reply, "that is is very painful to be always lending money?"
No, I didn't know that," replied the journalist. "I never did anything of the kind in my life, but if you will lot me have \$20, I'll lend some fellow a nickel just to see it what you say is so."
